Event Summary Presented the TARC 2025 concepts to the monthly meeting of the Commission for Persons with Disabilities. This meeting convenes agency and nonprofit staff and advocates for individuals with disabilities to discuss current and ongoing issues. TARC staff gave a 15 minute presentation on the TARC 2025 process and the concepts.

Participant Demographics

Participant questions

- What are TARC's other sources of funding?
- What is TARC doing to make the materials more accessible for individuals with vision-impairments?
- What is TARC doing to make sure that transit-reliant riders are able to give feedback on this project?
- Will a rider survey be conducted prior to implementing these proposals?
- Can TARC add voiceover narration to the videos on the concepts?
