## Event Summary

The TARC team presented to a group of residents in the Deer Park Neighborhood. Presentation covered the facts of TARC's current financial system, the key questions the TARC 2025 Concepts phase is asking the Louisville community, and a detailed description of the concepts and next steps of the TARC 2025 process. There was time for questions after. One audience member asked about why the city government is not fully funding TARC. Another asked how much of current ridership is Inside I-264 (Watterson)

## Participant Description

Highlands area residents. Approximately 100 percent White. Most had been on TARC or but few current riders.
