Event Summary

TARC was a featured speaker for the monthly meeting of residents and members of the Shawnee Park Neighborhood Association. We presented on the TARC fiscal cliff and TARC strategies to address the fiscal cliff with a primary emphasis on the TARC 2025 network redesign and how to engage in the process. TARC used handouts to guide a 20 minute presentation and then took questions for approximately 30 minutes.

Q: Could raising fares help pay for a divers to help prevent missed trips on routes?

Q: Why can't TARC advocate for itself to increase funding?

Q: Why was TARC running a deficit for so long?

Q: Can TARC hire people with misdemeanors or felonies to drive buses?
