Event Summary

The TARC 2025 team presented the conceptual phase of the project to the City of Seneca Garden City Commission. Presentation included an overview of TARC's financial situation and reasons for launching TARC 2025, the project timeline, and an overview of the three conceptual TARC networks. Attendees asked if Louisville Metro pays directly into TARC (no); why TARC wouldn't put investments where existing ridership is (that is the Ridership concept); whether light rail could be part of the future; and how much of the TARC operations budget is covered by fares.

Participant Description

Elected and appointed officials of City of Seneca Gardens; majority white
