Event Summary

TARC staff presented the TARC 2025 concepts to a group organized by West Louisville Dream Team. The questions asked included:

1. Do you work with the major employment centers to get workers to and from work on time? Do employers work with you?
2. Would you leave routes that get those in the West End to jobs and health appointments in the east and south?
3. What is the city doing about the shortfall?
4. Have we considered starting a ride share program where routes have been/will be cut?
5. How will this effect TARC3 Paratransit services?
