Event Summary

One on one meeting with Sara Lynn Cunningham, their Intern Claire, and one of the Board Members. TARC staff presented the financial circumstances leading to the TARC 2025 planning process, and the three concepts. A very engaged discussion followed by questions being asked about TARC and redesign project.

Questions and comments included:

- Discussion about truncating the routes?
- Discussion about frequency model pros and cons?
- Questions and answers about other two concepts.
- Importance of getting workers to work.
- What are the sources of funding for TARC?
- What could be impact on TARC paratransit?

Participant Description

Three attendees, ages 20ies and 50ies.
