Event Summary

TARC staff presented the financial circumstances leading to the TARC 2025 planning process, the three concepts, questions being asked of the community, and the remaining timeline.

An engaged discussion, question and answers followed the presentation. Questions and comments included:

- How will these changes Impact TARC 3 and paratransit customers?
- What are TARC's sources of funding?
- How much are drivers paid, average salary?
- What about areas of the community that will lose service?
- Why TARC does not uses smaller buses?
- How much more in tax revenue is needed for TARC to improves service?

Participant Description

Mix of men and women, mostly white ages 50-65.
