

Event Name

Clifton Community Council Quarterly Meeting

Location/Date

September 16, 2024

150 State St

Weather

Warm, almost hot (88 degrees), clear skies

Team Participants

Robert Monsma, Transportation Planner

Attendees

25

Event Summary

TARC staff outlined the current financial context, the TARC 2025 planning process, presented the three network concepts, and answered questions. Themes included the impact on TARC3, advocating for access to the McDowell Center, expanding electric vehicle and rapid transit investments, and ensuring the visually impaired community has access to all of Jefferson County.

Participant Description

Mix of genders, mostly older and white.
